This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. MEDALLISTS, 1812-14.

Resolutions of the Senate and House of Representatives, Passed Jan. 6 and 7, 1814; Approved Jan. 31, 1814.

The Legislature of Pennsylvania believing that the gratitude and applause of a free people are the most acceptable and Honorable rewards of Great and Glorious Actions do in the name of the people of this state hereby express the high sense which they entertain of the Character and consequences of the Victory achieved on the tenth of September last on Lake Erie by the American fleet under the Command of O. H. Perry over a british fleet of Superior force commanded by Captain Barclay a victory not more distinguished by the bravery and skill displayed in the Achievment than by the Clemency with which it was followed on the part of the illustrious conqueror.

Be it therefore Resolved by the Senate and House of representatives of the Commonwealth of Pennsylvania, That the Governor be and he is hereby requested to convey the thanks of the Government of this Commonwealth to Captain Oliver Hazard Perry for the brilliant action in which he succeeded in Capturing his Britanic Majesty's fleet on Lake Erie and likewise to procure for and present to him in Compliment of the said victory a Gold Medal of fine workmanship emblematically finished with the flag of our Country and noting him as Commander in Chief with such other devices as the Governor shall direct.

Resolved That the Governor be and he is hereby requested to Convey the thanks of the Government of this Commonwealth to master Commandant Jesse Duncan Elliot and Lieutenant John J. Yarnall for their Gallant and brave conduct and the able Assistance they Gave to their Commander in the said engagement, and that he likewise procure for and present to each of them in Compliment of the said victory a Gold medal of fine workmanship emblematically finished in such manner as the Governor shall direct.

Resolved That the Governor be and he is hereby requested to Convey the thanks of the Government of this Commonwealth to those Citizens of Pennsylvania who nobly and Gallantly volunteered on board of the American Squadron on Lake Erie and that he likewise procure and present to each of them in Compliment of their Patriotism and bravery a silver medal of the weight of two Dollars with each persons name

We the Subscribers, Members of Capt. John Wallace's Company, do acknowledge to have received of John Phillips Paymaster the Respective Sums, annexed to our names.

Phila. Feby 23, 1816.

Sir,

Yours of the 9th I yesterday received. I never have been engaged in any public business that has caused me so many disappointments and so much mortification as the Medals directed to be prepared for Com. Perry &c they would have been furnished long since, as they ought to have been, but that all my efforts to procure the profile of Capt. Perry have been fruitless of any thing but promises and those promises the

Captain has found himself unable to fulfill from his, I suppose, frequent change of station. I believe he has sailed for the Meditteranean and I had, before the receipt of yours, determined to write to the Governor and submit for his consideration the propriety of substituting something else, says the Arms of Pennsylva. in place of the Captain's profile. If this shall meet the Governor's approbation, or if he will direct anything else to be prepared I will not lose a single day before I put it in a train of execution and I trust the Medals would not be long before they would be ready for delivery.

I am Sir, Respectfully
Yr. Obt. Sert.,

Sir,

I have applied to Colonel Binns, for making of the Ayes to strike the medal in honnour of the victory of Commadore Perry on Lake Erie, which was voted some years ago by the Legislature, and as I am in this moment without occupations and much straightened in my means of subsistance by making typographical Bank Bills, this work would be of some assistance to me, if you would be so good as to use Your influence with Mr. Binns to give it to me and I shall take all possible pains for the Satisfaction of the Public

Philadelphia, April 9, 1817

Sir,

Yours dated yesterday I have received. The dissapointments, mortifications and regrets I have experienced in my efforts to execute the Governor's Orders in relation to the Perry Medals induce me to fell relieved in the information that you are yourself about to take order on the subject. I very sincerely hope that you may get them speedily executed, and

in such a manner as shall give you pleasure and meet the Governor's approbation. The money placed in my hands and the interest shall be paid to your order at any time you will be pleased to appoint.

I am Sir, Respectfully

Note: I did think myself authorised to excuse interest on the public money—But I gave Mr. Furst an order on Mr. Binns the 9th of April 1817 for $300—another order the 1st. July for $500—10th of Sept. for the balance $1200.

N. B. BOILEAU.

Sir, Enclosed is the list furnished me by order of Com. Perry. To the best of my knowledge Mr. Hambleton subsequently wrote to the Secy. of the Comth. to say that some 4 or 5 of the names he has furnished ought not to have been placed on the list

Note—this is in answer to a note I wrote asking for a copy of the list of the pennsylvanians on board the fleet at the time of the action—my note was dated the 9th & I did not preserve a copy.

Sir

I just received the Letter you did me the honnour to write to me by Mr. Musgrove, and at the same time I received another from New York by which I learn that Commodore Perry had requested an artist to come to Newport in order to take his Likeness who has accepted the proposal, so that I hope soon to receive it.

As to the Medals I shall not fail to represent the shattered condition of the English fleet and likewise of that ship from

which the Commadore is retiring. The American flag will be visible on board the American vessels. As to the Eagle hovering over the Am. fleet with the flag in its baloons, altho the Idea is very pretty I am affraid it might not have the best effect and would somewhat disfigure the medal, however I shall confirm myself to your wish, if you desire it and beg you will acquaint me with your intentions, when you remitt to me the Inscriptions on the Medal.

I am Respectfully Sir
your most obedient Servant

Philadelphia, May 29th, 1817.

Sir,

I duely received by your Favour of the 21st inst, the several sketches of the medallons to be struck, as you have the goodness to leave to my Judgement any alterations I should think proper. I will take the liberty to observe to you, that it will be necessary to shorten as much as possible the Inscriptions to be made in order that the principal objects may appear more fully. . I find that the American on board of the ships by reason of their smallness would not be conspicuant enough, therefore I shall represent the Eagle hovering over the fleet, with the Amer. Flag in its Saloons and a scroll with the Inscriptions of victory in its beak, and on the reverse, below the head of the Commordore, and on the Medaillon destined for him only "Presented to the Commodore by the Government of Pennsylvania, if the inscription under it was larger, the figures would be reduced to a Smaller compass as Learnt to be proper. As the Medal with his Likeness on it speaks for itself as an honour intended for him, and for those concerned in the action.

On the Medallion for the two officers, will one side appear the Naval Engagement and on the other side the portraits with the Inscription "presented to N. N. for his bravery."

On that for the privates on one Side will be the portrait of the Commadore, and on the other the Name—surrounded by Laurels and below "for his bravery on Lake Erie." '

Sept. 10, 1813—

I am sorry that I have not yet heard any thing about the Likeness of the Commodore, which I am afraid will detain me longer than I expected. I am working at present on the Engagement.

I remain respectfully
Sir, your most obedient
humble servant

Philadelphia, Sept. 6th, 1817.

Dear Sir,

I have the pleasure of informing you, that in Two or Three Days the Dial for the Medals for Commodore Perry will be finished. The Likeness will be very good, for I took it from a well executed painting. You would do well to send a Letter to the Director of the Mint that they may directly set about the striking off the Medals as soon they have got the Diel, which will be in a very short Time.

I should be obliged to you, if it would be convenient to you to give me an order for Mr. Binns for the Ballance of Money in his hands, that I may be enabled to buy the Gold and Silver for the Medals and provide for the other Expenses which we have made.

I am with great Respect.

Sir,

I just had the honor of a visit from Judge Tudor of Boston, Father in law to our gallant Captain Stewart, who states that

he this morning left him at his seat near Bordentown, exceedingly indisposed, the effects of a severe cold caught in crossing the bay on his way from Washington—It will therefore be uncertain when his situation may admit of the contemplated ceremony in receiving the Sword &c.—The Judge was much pleased with the elegance of the Sword, and in the course of conversation adverted to his having witnessed a similar honor conferred on an officer of the Navy in one of the eastern States, accompanied with an elegant diploma on parchment—I assured him that testimonial highly honorable would accompany the Sword for Capt. Stewart and concluded respectfully to suggest to you the propriety of having the certified copy of the resolution of the Legislature on fine parchment, as it is a document which ought to be as durable as the Sword itself, you may concern with me in opinion, in which event be pleased to transmit it as soon as practicable as a few days may effect a change in his situation favorable to the execution of the charge entrusted to me—Have the goodness to excuse the liberty thus taken and accept assurances of the high

consideration & esteem of
Sir, your friend and

Should you approve, I should procure the fine white parchment here, have it transcribed and transmitted to you for your Signature & Seal.

Sir,

I have examined the List you have remitted to me with those persons who were to receive the Medal of Commodore Perry, and I found the Names on it which you mentioned in your last Letter I therefore have them struck out according to your order.

I spoke with Mr. Eckfeld and he told me that they would go on with the striking off the Medals as soon as the River Should be closed which I expect will soon be the case.

Sir, Mr. Trimble Dep. Sec: called on me Saturday last at the request of his Excellency the Governor respecting the medals of Com. Perry, I have the pleasure to inform you that the dies were deposited by me at the Mint of the U. S. for striking, but at that time they were so much engaged in coming that it was impossible for them to attend and was also deposited in the hands of Mr. Eckfeldt, Chief Coiner the sum of six hundred Dollars for providing gold and silver for said medals: and I believe the cause of their not being done is the want of a new Screw, I called on Mr. Eckfedt he has informed me that he intends striking all medals of the U. S. as those of this State and when done I send you the medals on to Harrisburgh.

And remain yr obt. Servt.

Philadelphia 24th July 1818.

Sir,

I received of the present Secretary of the Commonwealth a Letter in which he delivered me to inform him about the progress made in the Medals for the Soldiers on board the American Squadron. I am very sorry that these Medals have been delayed so long in the Mint: and I beg Sir you will be assured that it is not by my fault, that these people are so long de-

prived of their due reward, for the Likeness which was broke in the striking off was over made these three months and given there to be hardened and the Medals to be struck. But it appears that at the Mint they have so much to do that they can not find Time to strik off the Medals. On the Reception of this Letter I repaired again to the Mint, where I was told they would do it as soon as it was possible.

I presume Your Excellency knows that some Time ago I placed 600 Dollars at the Mint for the Medals, and Mr. Eckfeldt told me that it would require 100 Dl more which are always ready to be paid as soon the Medals are struck off.

If you would be pleased to recommend yourself this Matter to Mr. Patterson it would certainly have a great Effect on their Diligence to strike off the Medals,

The cause has been occasioned by many disappointments in fiting up the press for the purpose, but the dificulties are in some measure removed and I have now reason to believe that I shall be able to undertake striking medals in the latter end of December

I have also a number to strike for the General Government.

I am bound to my Agreement with Mr. Boileau and willing

to do so; and make a New Head Die of Commod Perry: and if the Crown should fail make a New Crown Die also: and go to the Expenses of the whole Costs of the Medal.

When I got these Dies forged by a Yankee in this city, he assur'd me, they would stand the striking of as many medals as should be wanted, but he deceived me in this assertion. The Loss on my part will be considerable, if Government would be pleased to assist me in it, I should be thankful, if not I must bear it alone.

Sir,

Examining a report made to the Legislature of Pennsylvania, in March last, on the subject of Medals, which were order in 1813-1814, to be presented to Commodore Perry and those Citizens of Pennsylvania, who volunteered their services on board of Commodore Perry's fleet, on Lake Erie, in 1813, I discovered a list of Volunteers furnished governor Snyder by purser Samuel Hambleton, which is incorrect inasmuch as my name is omitted. I volunteered three several times, and done duty during the action as Master-at-arms. I was doing duty at the time of Volunteering in Captain Samuel Clark's company, of Colonel Hosack's regiment under a call from Major general David Mead. I beg leave to refer you to Commodore Perry's official return, for evidence of having been in the engagement and to Jacob Hemington, Col. Thomas Hosack, Captain Samuel Clark and Dr. Epaphroditur Corsitt and James Miller of Mercer county, Henry Hurst, William Clark, who then done duty of brigade inspector) James Henington and Patrick Fanelly of Meadville and of Jonas Stone, Seth Reed and Thomas Wilson of Erie, of the manner of my entering in the service of the United States on board of the fleet.

I am obliged to inform you, that the last Dye I made of Commodore Perry has met with an unfortunate accident which will detain those brave patriots for some Time of their due reward.

The dies with which these have been struck are both

cracked owing, it is believed, to some defect in the steel & rendered useless—Mr. Furst. the engraver, is, however, working on another pair, which, it is expected, will soon be finished; & then the remaining medals will be struck without any unnecessary delay.

Honoured Friend,

I have the pleasure to acknowledge the receipt of thy letter of 7th ulto. accompanying, by the hands of Ephraim Pentland Esq. a copy of Resolutions of the General Assembly of Pennsylvania, expressive of their sense of the brave and gallant conduct of my son, the late Lieutenant John J. Yarnall in the brilliant victory of the 10th of September 1813 over the British Squadron on Lake Erie. Amidst the sorrow of heart to which I have been inevitably exposed by a dispensation depriving me of my son, the sympathy expressed in thy communication and my confidence in believeing that his memory will be preserved and cherished in the annals of our nation and in the affectionate recollection of its patriotick citizens afford a consolation which, be assured, I though not altogether a Spartan, know how to appreciate.

The Style of execution both the penmanship and the frame, in which it is set is as striking to every other eye as the memorial itself is affecting to a mother's For the manner in which this framed copy of the Resolutions, as well as the Medal has been presented accept the thanks of

To His Excellency
William Finlay
Governor of the Commonwealth of Pennsylvania.

Harrisburgh 10th Nov 1819

Sir,

I have received by the hands of Col. North six, and by the hands of Mr. Piper forty one silver medals for the Pennsylvania Volunteers the first six are defective tho not materially the remainder are very well executed, but there are some mistakes in the engraving several names being mispelt, viz. Simon Griswell, ought to have been Lyman, Jacob Toel should have been Tool, M. Crammiller, should have been Cranemiller some others let material, but on one of the Medals, I find the name of Wm. Gaw, no such name appears on our list, but we find the name of Wm. Pace on the List, tho not on any of the medals—Supposing that you may have had some information relating to the Names of the volunteers, not derived from this department, I would beg the favor of you to examine & inform me whether these corrections agree with your List of names—

I am sir with much esteem yours

S. D. I.

Mr. Moritz Furst.

Philadelphia 15th Nov. 1819

Sir,

I received your favour of the 10th inst. and have the honnour to inform you that if you will send those Medals back, which are not correct in the names, I shall get them alter'd in

the Mint and the right names engrav'd on them. The agreement after which the Engravings are done, was somewhat worn out, and that may have been the cause which has occasion'd the mistake.

I am Respectfully
Sir,
Your most obedient humble Servant

Philadelphia 18 Novr. 1819.

Sir,

I have got 4 New Medals struck off in the Mint and if you will be so good to write to me the 4 Names which are to be with the Sirnames and family Names, and send those other Medals back, I shall get the Names rightly engraved on the New Medals.

I am Respectfully
Sir;
Your Most obedient humble Servant

The Honorable
S. D. Ingham
Secretary of the Commonwealth.

Pittsburgh, Nov. 19. 1819.

Dr. Sir;

Enclosed you have Mr. Yarnall's acknowledgement of the receipt of the Governor's Letter of the 7th ult. Which I presume will be satisfactory. Any further commands which you wish to impose on me, shall be promptly attended to.

I am, sir, very respectfully,
Your hum. sert, &c.
E: PENTLAND.

Samuel D. Ingham, Esq.
Secretary of the Comm'th of Pennsylvania
Harrisburgh, Pena.

Harrisburg. 24th Novemr. 1819.

Sir,

I have received your letter of the 18th inst. informing me that you have procured four additional medals in lieu of those upon which the names of the volunteers were mispelt: My object in mentioning the circumstance to you was not with a view to put you to the expenses and trouble of procuring other medals but to ascertain whether you had received any list of names from other sources of information: as I perceive that there was some correspondence mentioned as having taken place between you or Mr. Binns and the Navy department, and I was desirous to know whether our lists of names agreed, before I directed any corrections to be made—if upon a re-examination of your list you find it to agree with the corrections I had made or if you had no list except from this department, you will please to mention it, and in either case I shall proceed to have the names altered according to our list, but as you have other medals struck I shall be glad to have the names of M. Cranemiller engraved on one of them, and that of William Pace on another; the alteration as to those two cannot well be made without defacing them, and you may send them by some convenient opportunity, and the others shall be returned.

I take the occasion to express to you the satisfaction I have had in finding by an examination of the correspondence on this subject that you have manifested much zeal and fidelity in the discharge of your engagement, notwithstanding the many discouragements you have met with in fulfilling it.—

I am, siri, Very Respectfully

Yours—

S. D. INGHAM, Sect.

Mr. Moritz Furst

My Brother William Blair served as a volunteer aboard the Niagara in Commodore Perry's fleet—He marched out in the Militia from Milesburg in Centre County where he then resided in Captain Record's company—He was aboard the said Vessel on tenth day of September 1813 when the British fleet was defeated and captured—He was honorably discharged and received his prize Ticket for which he drew his prize money.

He is now removed to the State of Ohio and left a power of Attorney for me to manage all his business for him—If you Sir will deliver his Medal to Col. William Smyth to be sent to me I will take special care of it until I can find a safe opportunity to send it to my brother—Col Smyth will I expect satisfy you that you will be safe in entrusting it to me.

I also know that he is a brother of William Blair and I am as certain that William Blair was a volunteer aboard of Perry's fleet on the 10th Septr. 1813 as I can be of anything which I did not see—David Blair has a power of Attorney from his brother William to Settle his business in this country generally—The medal is not mentioned in it as I expect he did not think of it when he moved off from this County to Ohio.
